"Le Bal des Lumieres" A Sparkling Night on the Riviera

WIPAC hosts an exciting evening of music reminiscent of life in Monte Carlo, Monaco style. The evening begins with Vin d'Honneur and serenade of guests. Concert follows to feature WIPAC Competition 2003 First Place Winner **Paul Romero**, pianist, performing George Gershwin's Fantasy with guest on saxophone **Brock Summers** and music from Porgy and Bess, Chopin's Ballade in G minor, and to put us all in the mood for a night on the Riviera, he will conclude with James Bond tribute with themes from the movies like the "Casino Royale." Casino Tables will be open to try your luck.

The talented local Diva **Robin Phillips**, Gala Chair will treat us to a French song or two and dancing through the night with music by The Radio King Orchestra.

LIVE AND SILENT AUCTIONS FOR YOUR BIDDINGS!
